ORGANICVILLE ORGANIC KETCHUP

<http://www.supermarketguru.com/index.cfm/go/sg.videoSlideshow/categoryId/34>

This product is a HIT! If you love ketchup you will love OrganicVille's Organic Ketchup. Instead of using high fructose corn syrup like most ketchups, they use organic agave nectar and a very subtle blend of really tasty spices and onion powder – and it's also gluten free. Most parents dread the fact that their kids love ketchup, but it doesn't have to be that way anymore! Retail for \$4.99.
